# Sites - USAID Ocean

- Manado: Pasat Bersehati, Kota Manado → Nov 2017
- Sangihe: Malebur, Tahuna, Kab. Kepulauan Sangihe → Nov 2017
- \*Bitung: Pole & Line vessel → Oct 2014

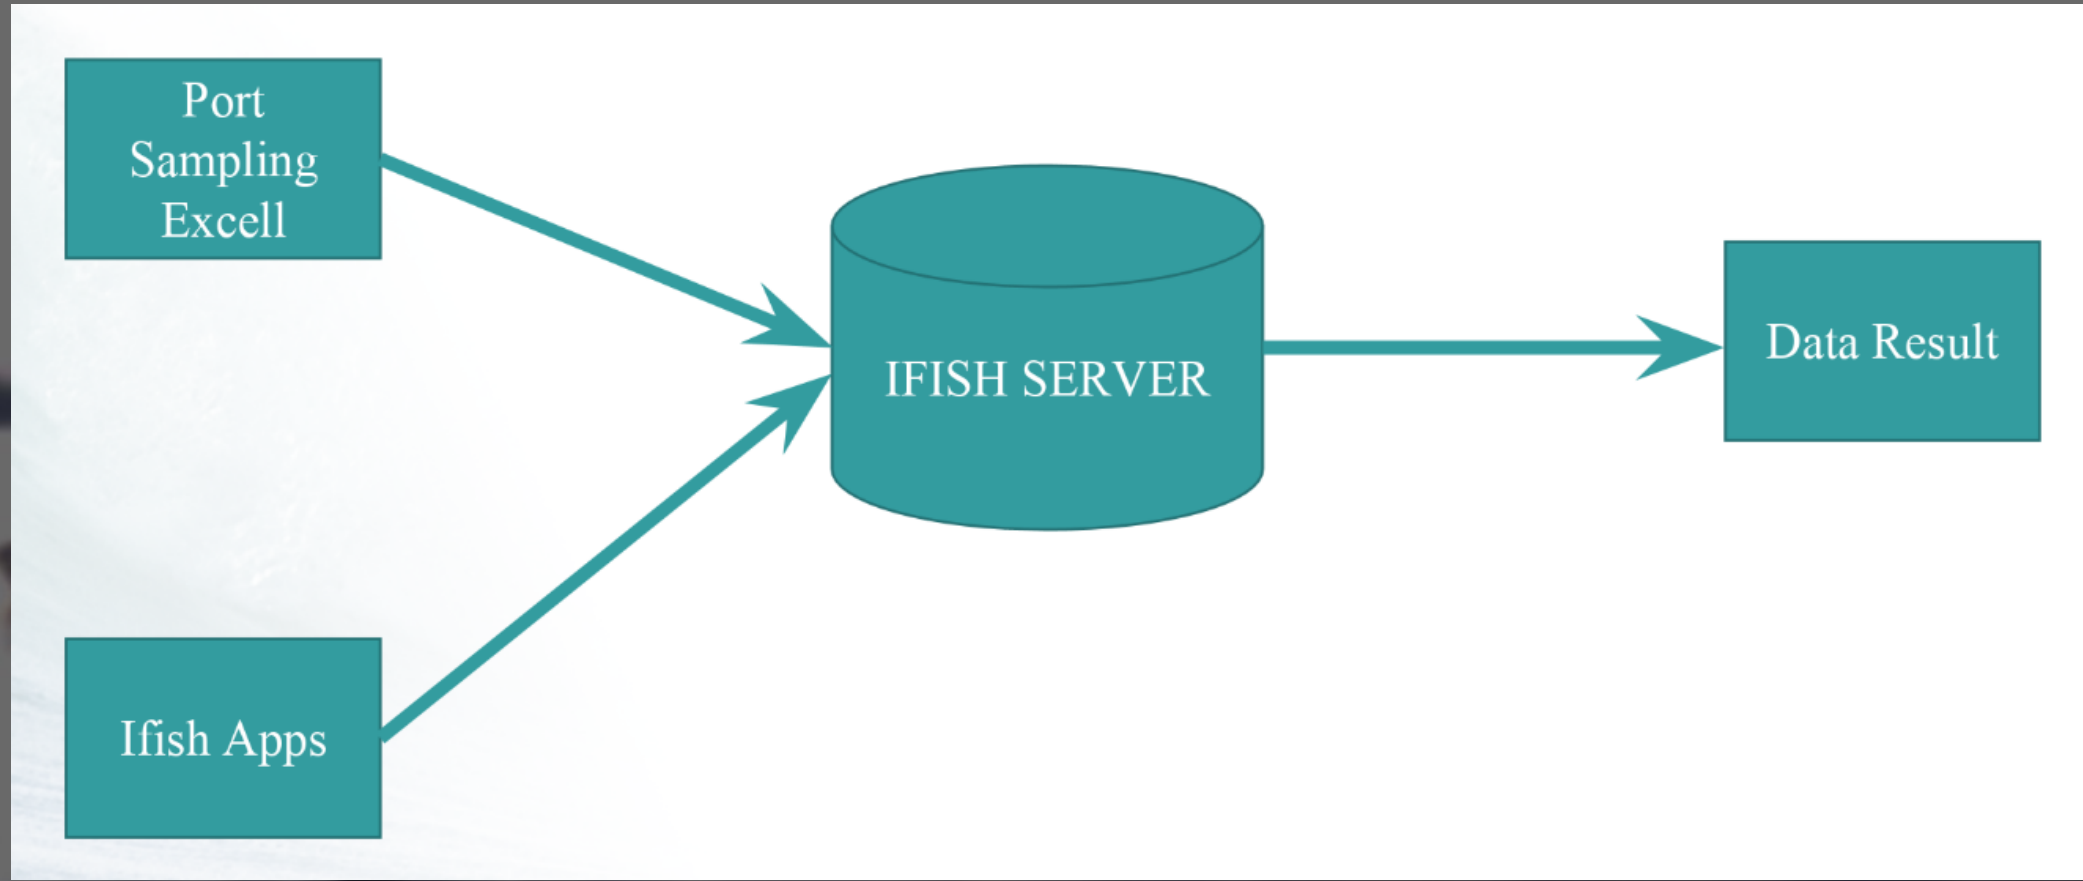

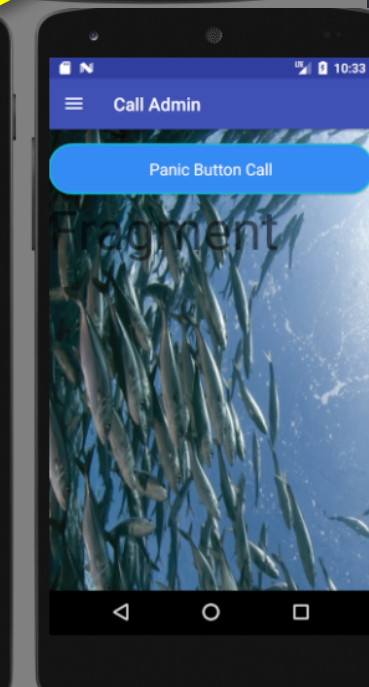

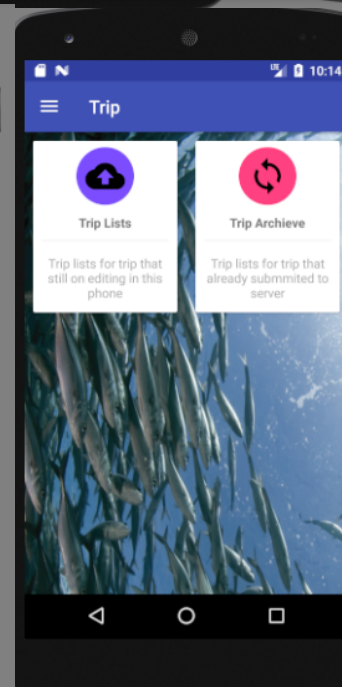

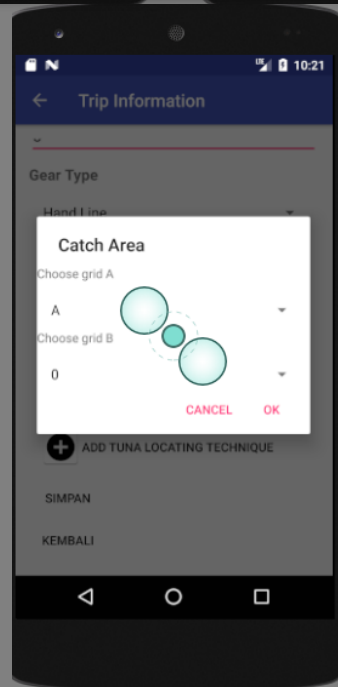

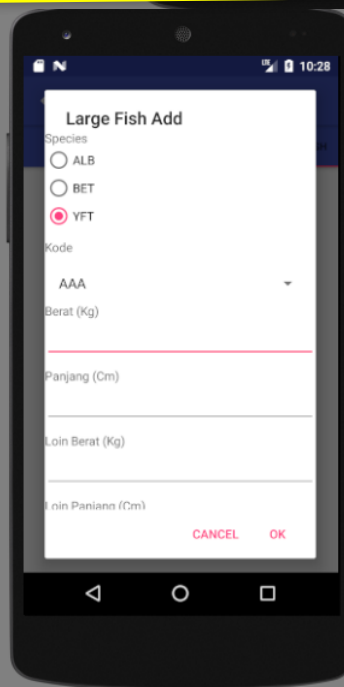

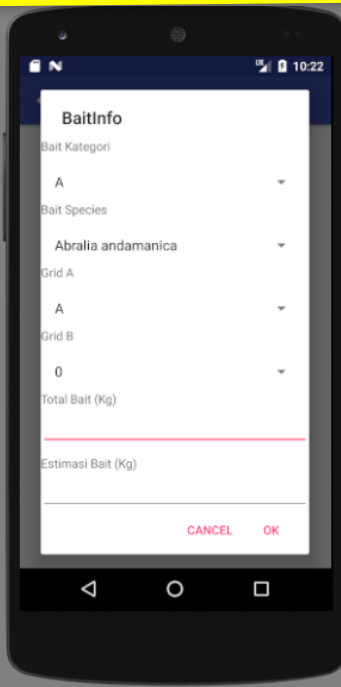

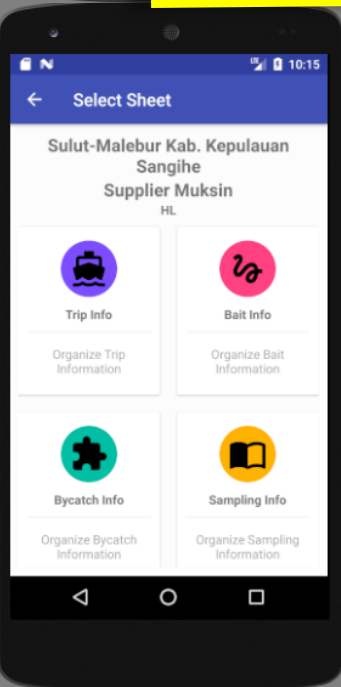

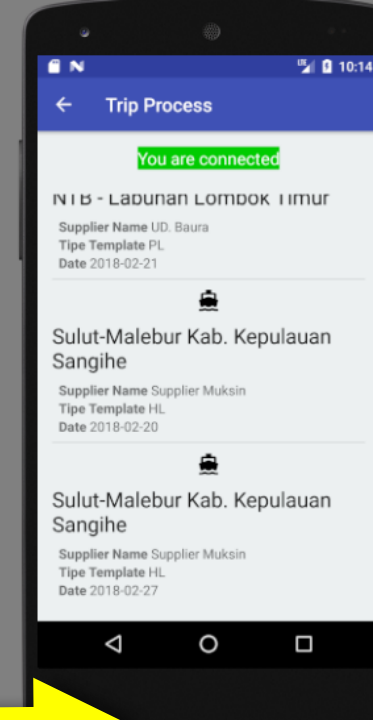

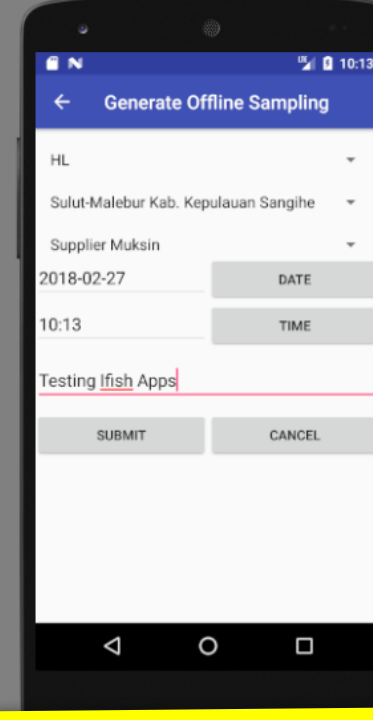

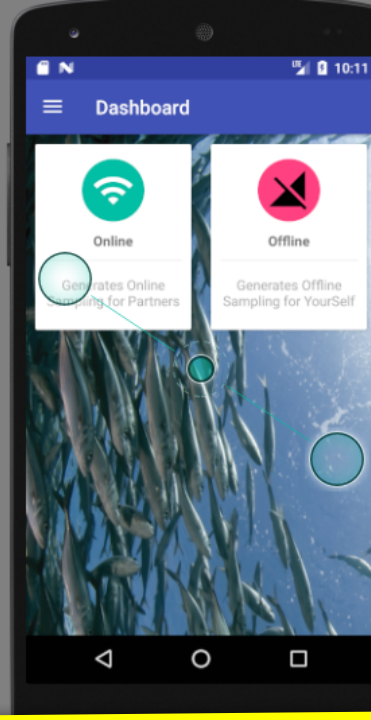

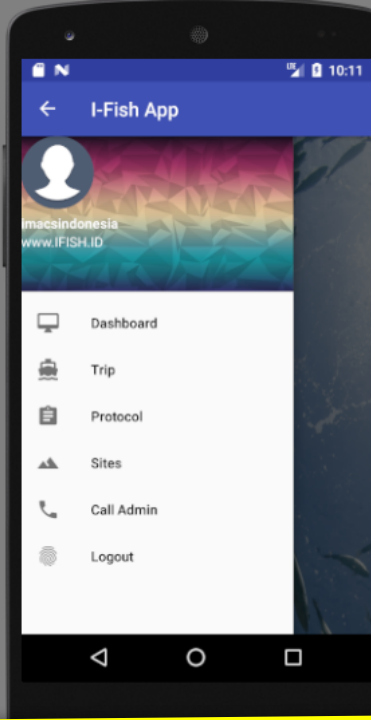

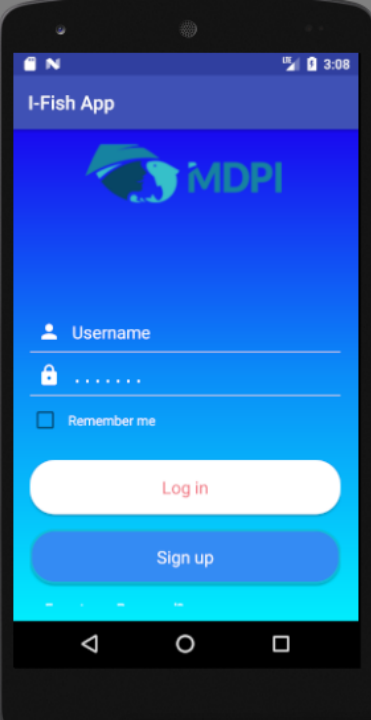

# I-Fish Apps

# I-Fish Apps

- Ifish Apps is a development of the use of excel templates on port sampling interview **running on Android app.**
- It is expected that using ifish apps **can minimize the use of excel templates and paper forms during interviews.**
- Form used to follow the data point form in the form excel port sampling
